ARISE

Fr Deogratias Mugabo

Arise, arise, arise all you people of God.

God arise and hear the voice of God calling to be a good Samaritan to all the people of God. Help orphans, the widows, the poor and the sick. When you help the least of my people, you did it to me.

1. Your Word oh Lord is light and power, it gives me strength to see the needy now it gives me strength like a good Samaritan.

Arise
When I was in prison, you visited me, sick in bed you stretch'd out your hand, you touch'd my heart, you were good Samaritans.

3. From the table Eucharist you give us strength to proclaim your love in words and works of mercy sure this is our mission to people every where

4. Holy Virgin Mary pray for Uganda that we may be the light in this world as we march on as people of the Lord

5. Holy Uganda Martyrs pray for us all that we may walk as
blameless lambs of God to be worthy of eternal joys of Lamb
