120 YEARS OF HOPE
LIFT HIGH THE CROSS
A Concertato for SATB Voices
w/opt. Brass, Percussion & Congregation

This popular and distinguished hymn has been arranged for flexible use in worship. The arrangement includes five verses with choruses giving plenty of scope for processions. The format is such that it is very easy to omit verses for non-processional use. The score and brass parts contain repeats for the verses which can be adapted at the director’s discretion. The descant in the final chorus with the short coda provides an exciting finish. In the absence of brass, the brass introduction is cued in the organ part. Congregations will love joining the choir and musicians on this exciting concertato, ideal for Easter, Palm Sunday or general worship services.
